

Girls Cricket Competition

On Wednesday 14th June a Year 5 Girls Cricket team headed off to Northamptonshire County Cricket Ground to play in the county finals of the Kwik Cricket Tournament. It was made up of all year 5 girls as the three year 6 girls who had helped us get there were away on their residential.

When we got there we played four games and we won two and lost two. There were 10 schools including us in the finals, we are really pleased to let you all know that Oundle Primary School finished 3rd, by 1 run. We were presented with our bronze medal by a County Cricket Player.

We were all very excited and nervous to be representing our school at this event and we are really proud of how we competed and where we came.
