

Netball Success

At the end of last term the netball team from years 4, 5 and 6 had their first competition.

It was at Oundle Primary School and there were 6 teams from local schools taking part.

We played 4 games of netball and won our first 3 games! In the last game we lost to Polebrook A team (Polebrook had two teams). Overall we came second in the competition to Polebrook A.

Everyone played really well and we all had great fun!
