

Oundle CE Primary School
Behaviour Agreement for
Children (including
extended services)

As part of the expectations of all children at OPS we are sharing three new behaviour values that ensure a safe

and caring experience for us all.

- **Ready**
- **Safe**
- **Respectful**

Being **Ready** usually means on time, with the right equipment and ready to learn and have fun in every session.

Now at OPS being **Ready** will also mean –

- Ensuring we stay 2m away from each other.... This could become 1m very soon!
- Wearing trainers or flat shoes we can exercise and have fun in.
- You only need your packed lunch and full water bottle. Leave everything else at home.
- Coming into school calmly and entering the building through your designated door and washing hands or using the sanitiser provided.

Being **Safe** would normally be walking around the school sensibly and playing positive games at playtime and lunchtimes.

Now at OPS being **Safe** is our priority and will also mean –

- Keeping our distance from other people.
- Only using our own equipment.
- Staying in our seats or spaces during sessions.
- Using tissues for coughs and sneezes. Putting tissues in the labelled lidded bin as soon as you've used them.

- Following the designated routes around the school and following the rules about only one person in the toilet at a time.
- Making sure we wash our hands thoroughly for the recommended 20 seconds as often as you are asked to.
- Following the instructions of all staff during the day and especially at playtimes and lunchtimes.

Having **Respect** for each other is something you do really well and we usually display this with our body language and the words we use in conversation with each other.

Now, that **respect** is even more important because it shows we care about each other's feelings –

- Encouraging each other to do our best with positive comments.
- Listening to each other if we want to share our ideas or how we feel.
- If we're worried about ourselves or our friends, sharing that with an adult.
- Being considerate about each other's feelings.
- Listening to adults and being considerate about the feelings of the adults supporting us.
- Trying our best in every activity.
- Being kind to each other as we enter and leave the school site.

We do know that our Holiday Club is a great place to be where everyone can have fun together. If following the expectations is proving difficult a member of staff has the authority to withdraw the offer of a place for your child. This will only be used in extreme cases.
