

Subject name	DT	Topic Name: Make a bag	Year Group 5
--------------	----	------------------------	--------------

Key Vocabulary

Seam
 Reinforce
 Template
 Pattern piece
 Pinking shears
 Iron transfer paper

Prior Learning

Children know how a simple 3D product is made.
 Can use a template.
 Can join 2 pieces of fabric together.

Key Information

This term, children will be creating a bag and think about how it will work. Children will make a design with pictures and words to explain what it will include. They will look at what fabrics they could use and think about if it will open/close.

Key Skills

In this unit, children will be able to:
 Design, explore, make, and evaluate a bag. Thread needles. Sew different stitches. Measure and cut fabric.
