

Welcome to the Reception Page - Spring Term 2018

This term gets off to a great start with a topic all about 'Patterns' which are all around us and the children will have fun finding and exploring patterns in their environment as well as embracing opportunities to make their own patterns with a wide range of resources and media.

During the second half of the term, the children will be learning through a topic entitled 'Once Upon a Time'.

This topic will allow the children to immerse themselves in fairy tales in all that they do from role- play and story

re-telling to music and crafts.

A highlight for us all to look forward to is our Chinese New Year celebrations in January/February.
