

Homework page

Welcome to Y1's homework page. Here you will find links to the year groups homework for the term.

Maths

During the start of this term we will be getting the children in Y1 set up on Maths Whizz. Once we have set the children up on this in school we will send the log in details home in their White Diary.

Children in Y1 are expected to complete at least 40 minutes of Maths Whizz each week. On Friday the classes check how many progressions are made each week.

Maths Whizz: <https://www.whizz.com/>

Reading

We will send home three reading books on a Monday for you to read throughout the week. Remember to read at least three times a week and record this in your White Diary. On a Friday please keep one book to read over the weekend and return any other school reading books you have at school. We will send a new set of books home on a Monday.

Word Purses

Instead of sending words home in a wallet, we will be sticking a sheet in each child's diary with these words on and ticking them off as your child learns them. Green words will be the ones your child already knows and pink words will be their words to practise. Please practise them at home and we will then tick them off at school once we are confident your child knows that word.

PSHE

There will be a PSHE task in your White Diary each week, which often involves a question or thought to discuss with your family.
