Toys

Yr 1

Main Foci: Changes within living memory

What should I already know?

- There are different types of toys that move in different ways.
- Names of common materials and what they look and feel like.
- The chronology of my family history and that people who are older than me, were born before me.
- There was a time before my grandparents were born.
- An understanding of which toys I played with as a baby, toddler and 5 year old.

Procedural Knowledge

- Sort toys between **old** and **new**. Identify **similarities** and **differences** between them.
- Look at your own toys, your parents/carers' toys and then your grandparents/carers' toys - identify **similarities** and **differences**. Put them in order from **newest** to **oldest**.
- Discuss how the materials from which toys are made have changed over time and why this is the case.
Discuss which toys your grandparents have played with that you still play with today.
- Place toys on a timeline in the **chronology** in which they were played with. Can you discuss how you know how old each toy is?
- Use words and phrases such as **old, new, before** (I was born), **after** (I was born), **past, present, then, now**, a long time ago.

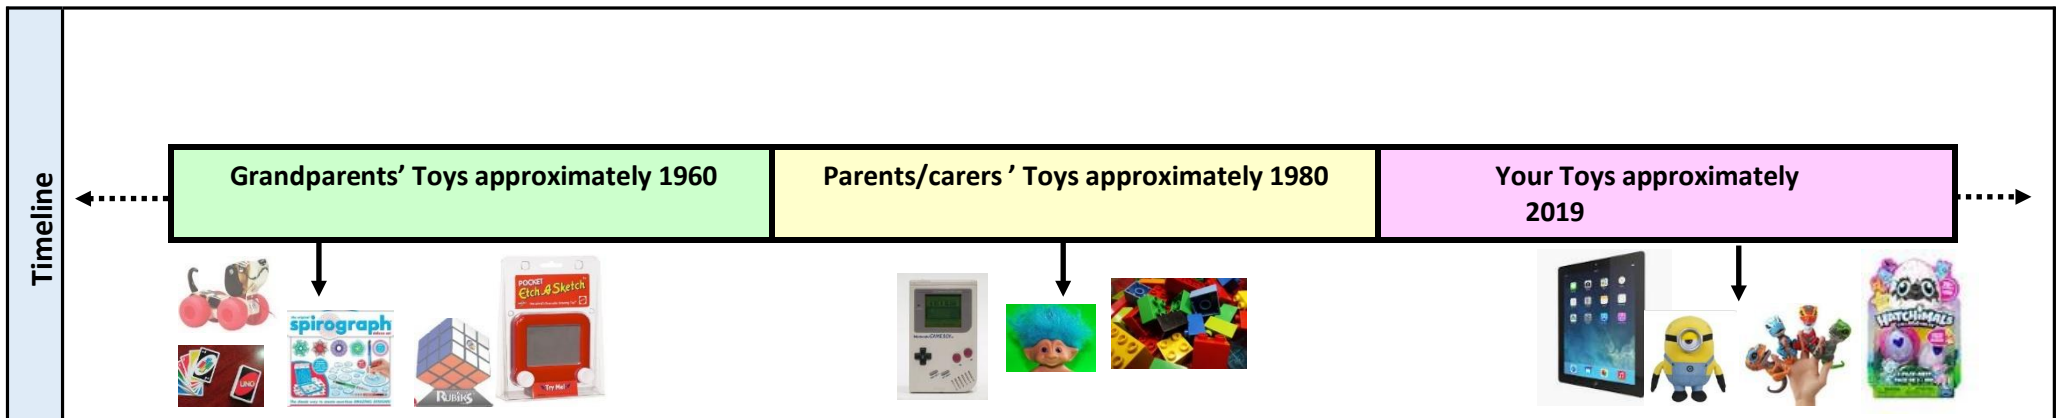

What will I find out by the end of the unit?

Old Toys	New Toys
often wooden	often plastic
usually mechanical or moved by hand	usually need batteries
usually handmade	usually made by machines

- **My grandparents** toys were usually made from **wood and metal**.
- Some toys have been used across generations used to play with, such as scooters, teddy bears, or (more recently), mobile phones They are the same toy, but just look different.
- There are many **similarities** and **differences** between **old** and **new** toys - this can be down to how they move and what they are made from.
- Lego has changed over time, moving from a few simple bricks to custom sets with lots of different pieces.
