

Noisy Netball with Nice year 3.

Year 5 took part in a fun Netball teaching experience with the lovely year 3s. We all had loads of fun and we all learnt something new. The Year 3s learnt how to do the 4 main netball passes, which are chest pass, shoulder pass, overhead pass, and Bounce pass. They also learnt that you cannot move when you have the ball, you can only pivot!

But the Year 3s had to guess what the mystery sport was! There was some close guesses, but nobody guessed it was Netball! The Year 3s even taught us their very own warm ups. The nets were incredibly hard to shoot in, but the magnificent Year 3s tried there hardest, and some even managed to score! Well Done Year 3. The average group contained two year 5s and two year 3s. We played games such as piggy in the middle to demonstrate the passes. We had so much fun learning and also being the bosses for once.

The Teachers helping us were Mrs Marbrook, Mrs Taylor, Mrs Sanigar and Mrs Oakley, all helped us with this fantastic experience. Everybody took part in trying to shoot in the gigantic Netball hoop. Outside, we had a go at catching and throwing the Netball, whilst having fun and playing games. Everyone took part and all had a great time even though the weather was a bit chilly!
