Enrichment and Extra-Curricular Sport and Physical Activity

Since the introduction of the sports premium we have greatly increased our participation in competitive activities across all levels of the school games. This increase has seen a wider range and increased number of pupils engaged in sport and physical activity throughout the year.

Participation in Competitive Sport Since London 2012

School Games Level	2012/13	2013/14	2014/15	2015/16	2016/17
1	3	6	9	11	15
2	6	8	9	15	23
3	0	1	1	4	2
4	0	0	0	0	0
B Teams	3	4	2	7	12
C Teams	1	2	1	2	4

Level 1: Intra School; Level 2: Inter-School; Level 3: County; Level 4: Regional/National competition

Increased participation has had an impact on our school and our pupils beyond winning however. Our pupils are more engaged in class, display incredible sportsmanship, compassion and teamwork on and off the field, as well being healthier physically and emotionally. Additional programmes for pupils less inclined towards competitive sport on offer at Oundle Primary School include yoga, mindfulness, change 4 life sports clubs (Including Cookery and healthy Eating) and pupil leadership schemes.

We are in regular contact with our local partners at Northamptonshire Sport to continue developing our provision, as well as working with colleagues at local amateur and professional sports clubs to ensure a high quality provision in as many sports as possible. We have also used our relationships to inspire our pupils through visits to Peterborough United (Y2) and the Queen Elizabeth Olympic Park (Y4).

Additional and extra-curricular activities on offer through our partners in 2017/18 include:
