**Board Remit & Scheme of Delegation
(Incorporating Roles &
Functions overview)**

PETERBOROUGH DIOCESE EDUCATION TRUST (PDET)

BOARD REMIT AND SCHEME OF DELEGATION (incorporating Roles and Functions Overview)

(This document explains the Trust's integrated governance framework and covers establishment of, and delegation to, the Board, Committees, the Trust's Central Executive Team and Headteachers.)

There are three other documents in this suite of Board documents namely:

- Directors' Role and Responsibilities (incorporating a Director's Job Description and Person Specification);
- Terms of Reference for the Board of Directors – *this sets out the mechanics of how the Board operates e.g. meetings; how many and quorum etc;*
- Code of Conduct for Directors of Peterborough Diocese Education Trust.

1. Introduction and Statement of Intent

As a charity and company limited by guarantee, Peterborough Diocese Education Trust (the Trust) is governed by a Board of Directors who are responsible for, and oversee, the management and administration of the Trust and the academies run by the Trust. The provisions of this document will apply to all academies for which the Trust is responsible (the Academies). Any reference to the Academies in this document refers to all Academies within the Trust.

The Directors are accountable to external government agencies including the Charity Commission, Education and Skills Funding Agency and the Department for Education (including any successor bodies) for the quality of education they provide and they are required to have systems in place through which they can assure themselves of quality, safety and good practice.

In order to discharge some of these responsibilities, the Directors appoint people to serve on local Academy Governance Committees (AGCs) which have been established to help ensure the good governance of the Academies.

This document explains the ways in which the Directors fulfil their responsibilities for the leadership and management of the Academies, the respective roles and responsibilities of the Directors, the Committees and the governors serving on the AGCs and the commitments to each other to ensure the success of the Trust.

This document incorporating a Scheme of Delegation has been put in place by the Directors from the 24 September 2019 in accordance with the provisions of the Trust's Articles of Association (the Articles).

2. Ethos and Mission Statement

2.1 The Trust's vision is:

'Working together for each child to realise their God-given potential to flourish'

and its mission is:

'Our academies seek to serve their local communities: they are inclusive, welcoming children of the Christian Faith, of other faiths or of no faith, children from all backgrounds and of all abilities. We believe in the infinite worth of each person: children deserve the very best education and staff deserve support to deliver this.'

2.2 The Directors and AGCs recognise their responsibility towards the common good, not just of the Academies for whom the Trust is

responsible, but of all the families and communities in the areas served by the Academies.

3. The Trust is governed by:

- **Members** – guardians of the Trust, their role is broadly similar to that of shareholders of a limited company.
- **Directors** – appointed by Members (save for Co-opted Directors, who are appointed by Directors) to oversee the business of the Trust, agreeing the overarching strategic direction and ensuring robust governance.

Committees – who act in an advisory capacity to the Board.

- **Central Executive** – who manage the day to day business of the Trust in line with policies approved by Directors.
- **Academy Governance Committees (AGCs)** – who monitor and support the Academies in implementation of the Trusts, and their own aligned vision, values and policies].
- **Headteachers** – who manage the day to day business of an individual Academy under the oversight and challenge of the Central Executive Team, with support from the AGC.

4. Scope and Applicability

This document outlines the framework for decision making/delegation within the Trust. It applies to all Members, Directors, members of Committees, Governors serving on the AGCs and staff.

To clearly set out the accountability/responsibility structure, a Roles and Functions Overview (*RFO*) is attached as an *Appendix*.

5. Delegation - *Articles of Association*

The following are the relevant clauses from the Articles that outline what can, and cannot, be delegated.

- 5.1 Subject to provisions of the Companies Act 2006, the Articles and to any directions given by special resolution, the business of the Trust shall be managed by the Directors, who may exercise all the powers of the Trust.
- 5.2 Subject to the Articles, Directors:

- 'may appoint separate committees to be known as Local Governing Bodies' (known as Academy Governance Committees in the Trust); and
 - 'may establish any other committees'.
- 5.3 Subject to the Articles, 'the constitution, membership and proceedings of any committee shall be determined by the Directors. The establishment, terms of reference, constitution and membership of any committee of the Directors shall be reviewed at least once in every twelve months'.
- 5.4 'The membership of any committee of the Directors may include persons who are not Directors, provided that (with the exception of the Local Governing Bodies) a majority of members of any such committee shall be Directors. Except in the case of a Local Governing Body, no vote on any matter shall be taken at a meeting of a committee of the Directors unless the majority of members of the committee present are Directors.'
- 5.5 'Directors may delegate to any Director, committee (including any Local Governing Body), the Chief Executive Officer or any other holder of an executive office, such of their powers or functions as they consider desirable to be exercised by them. Any such delegation shall be made subject to any conditions the Director may impose, and may be revoked or altered'.
- 5.6 The Directors will appoint the Chief Executive Officer (CEO) and may delegate such powers and functions as they consider are required by the CEO for the internal organisation, management and control of the Academies (including the implementation of all policies approved by the Directors and for the direction of the teaching and curriculum at the Academies).
- 5.7 The Board of Directors (the Board) cannot delegate:
- any functions relating to the:
 - constitution of the Trust;
 - appointment or removal of the Chair and Vice-Chair of the Directors;
 - suspension or removal of Directors;
 - establishment of committees;
 - dissolution of committees;

- its responsibilities for the delegation of functions i.e. the adoption or revision of this Board Remit and Scheme of Delegation.

6. Members

6.1 The Trust will have:

- external Members (i.e. not Directors) who are:
 - Peterborough Diocese Church Schools Trust (PDCST) (Corporate Member)
 - 2 appointees of PDCST
 - any person appointed under Article 16 *link* and
- 1 internal Member (Chair of Directors)

6.2 Members are the guardians of the Trust's constitution, providing oversight and challenge to the Directors to ensure the charitable object of the Trust is being fulfilled. The charitable object is:

to advance for the public benefit education in the United Kingdom, in particular but without prejudice to the generality of the foregoing by establishing, maintaining, carrying on, managing and developing Academies which shall offer a broad and balanced curriculum and which shall include:

- Church of England schools designated as such which shall be conducted in accordance with the principles, practices and tenets of the Church of England both generally and in particular in relation to arranging for religious education and daily acts of worship, and having regard to any advice issued by the Diocesan Board of Education; and*
- other Academies whether with or without a designated religious character; but in relation to each of the Academies to recognise and support their individual ethos, whether or not designated Church of England.*

6.3 Members may agree to appoint/remove additional Members. The CEO cannot be a Member as employees of the Trust cannot be Members. Members can appoint and remove any Director subject to the provisions outlined in the Articles. Any removal by the Board of a Director appointed by the Members shall only be undertaken with the consent of the Members.

7. Board of Directors

- 7.1 The Board is able to exercise all of the powers of the Trust. It is accountable for the performance of the Trust.
- 7.2 The Board will challenge, hold to account, ask questions, seek information, improve proposals and so seek to arrive at the best outcome for the Trust. In addition the Board will offer support, constructive advice, a sounding board for ideas, a second opinion on proposals and help where needed to the Executive.
- 7.3 Both as Trustees of a charity and Directors of a company, Directors have a fiduciary duty to act in good faith in the best interests of the Trust. This duty includes a responsibility to do the following:
- ensure compliance with any legal obligations;
 - report on the Trust's activities (the Trust must prepare accounts in accordance with the Statement of Recommended Practice for Charities, the so called "Charity SORP" and any reporting requirements of the Education & Skills Funding Agency, as well as complying with Companies House reporting requirements);
 - fulfil the charitable object of the Trust as set out above and in its constitution (i.e. the Articles) and to act in a way which is compliant with the rules of the Trust contained in the Articles;
 - act with integrity and to avoid any conflicts of interest and not to misuse any charity funds or assets;
 - act prudently in the financial management of the Trust, avoiding putting any assets, funds or reputation of the Trust at undue risk;
 - exercise reasonable care and skill, using personal knowledge and experience to ensure the Trust is well run and efficient; and
 - act responsibly, getting advice from others, including professional advisors, where appropriate.
- 7.4 Subject to any change in policy from time to time or where circumstances merit a different approach; the Board will be constituted of: a minimum of 5 Directors appointed by the Members. Directors may also appoint up to 2 co-opted Directors. There is no maximum number of Directors.
- 7.5 The Directors' role and responsibilities are set out in the document entitled 'Directors' Role and Responsibilities (incorporating a Director's Job description and Person specification') [link](#) and detailed in the RFO. Specific skills may be needed if a Director is to take responsibility for and lead on a specific area, or to undertake the role of the Chair of the Trust. A regular skills audit will be undertaken and Directors should

expect to be able to articulate their contribution to the success of the Trust and the Academies.

- 7.6 The chair of the Board must not exercise as an individual any functions of the Board, except where this has been sanctioned by the Board. The chair may, however, act in cases of urgency where a delay in exercising the function would be likely to be seriously detrimental to the interests of the Trust, an Academy, a pupil, parent or member of staff.
- 7.7 Terms of reference for the Trust Board are set out in the document entitled '*Terms of Reference for the Board of Directors*' - [link](#).

8. Committees (including Academy Governance Committees)

- 8.1 The Board will establish a structure of committees as appropriate. These committees will act in an advisory capacity to the Board except where powers have been specifically delegated to them by the Board.
- 8.2 For committee constitution and further details as to their operation – see *the terms of Reference for the particular committee* and for committee responsibilities – see *RFO*).
- 8.3 The Board will establish the following standing committees:
- Ethos, Standards and Effectiveness;
 - Business Management and Finance;
 - Trust Governance;
 - Audit and Risk;
 - Pay and Personnel.
- 8.4 The Board will also establish the equivalent of what are termed as 'Local Governing Bodies' in the Articles, to be known as Academy Governance Committees (AGCs).
- There will be an AGC for each Academy or where two/three Academies share an Executive Headteacher there may be one AGC across the relevant academies.
 - Appointment of governors to AGCs has been delegated by the Directors to the Trust Governance Committee (see *RFO*) but Directors remain responsible for the removal of governors.
 - For composition of AGCs and further details as to their operation - see *the Terms of Reference for AGCs* – [link](#) and for AGC responsibilities see *RFO*.

- The implementation and impact of functions delegated to the AGCs will be quality assured by the Trust's Governance Committee.

9. Central Executive Team and Headteachers

Various functions will be delegated by the Board to the Central Executive Team and to Headteachers and details can be found in the *RFO*.
