

# Supporting your child with Phonics and Reading at home

We welcome links with home as much as possible so that together we can develop your child's full potential in reading. Please see the links below for some useful starting points. We are always happy to talk and support with any questions that you may have.

**Phonics:** For Foundation Stage, Year 1 and Year 2 families, please follow this **KEY LINK**, below, to find the Foundation Stage and Year 1 progression overview as well as extremely useful videos of the sound pronunciations for Phases 2 to 5, letter formation sheets and other helpful resources. We revise Phase 5 at the start of Year 2. We also send home weekly Phonics sheets to support your child.

**Reading books used within whole class lessons:** Whole class reading books are carefully selected and mapped out across Foundation Stage, Key stage 1 and Key Stage 2. They can be found within our Reading Core Text Year Group Progression Spine. (Please see our previous Reading section on the Curriculum page.) You may want to read these at home with your child during the term!

**How to help when reading a book with your child: making it enjoyable**

Please see our previous Reading section on the Curriculum page for the following documents:

Everybody Read- Reception, Year One and Two

KS2: How you can help your child with Reading at home
