

## Key Vocabulary

Sewing  
Needle  
Thread  
Fabric  
Stitch  
Knot

## Prior Learning

- Experience of using different joining techniques.
- A basic understanding of different fabrics and materials.

## Key Information

Children will explore different bags. They will have the opportunity to design, make and evaluate their own bags and develop key skills. Templates will be used to make a bag for Florence, either on her journey to the Crimea or as a medical bag.

The children will:

- Continue to develop their fine motor skills from EYFS
- Apply their understanding of how to thread a needle and sew two pieces of fabric together with a running stitch.

## Key Skills

**DESIGNING:** What is the purpose and who will be using it?  
Generate a range of ideas.

**EXPLORING:** Use a range of scraps to explore different ways of joining textiles together.

**MAKING:** Select from and use a range of tools and equipment to perform practical tasks such as marking out, cutting, joining, and finishing.

Select from and use textiles according to their characteristics.

**EVALUATING:** Own ideas and products and existing products.
